

Calling the **Jefferson County ARES net** into active status.

* This is (call sign) my name is (), and I will be your Net Control for this evening. This ARES Net meets every Tuesday night at 9:00 pm On the Birmingham Amateur Radio Club frequency of 146.88 MHz with a PL tone of 88.5. You do not have to be a member of the club to participate. All properly licensed amateurs are welcome to join this session as training for a real emergency. In the event of repeater failure, this net will move to 146.76 repeater system.

*Is there a station who can serve as alternate net control? The alternate will take over in the event that the Net Control station should fail. Please call now.... Thank you _____. You are checked in to the net and we ask that you follow the progress of the net.

*Do we have any written traffic, emergency traffic or NTS traffic for the net? Please call now...

Let's begin check-ins. When checking in please give your call sign slowly and phonetically using ITU phonetics. Also give your name and short location reference, as well as whether you have an announcement or swap shop item for the net. Those will be handled after check-ins.

This is (call sign) *I will now begin with short time, mobile, and portable stations. Please call now.

____ Call K, KA, KB, KC, KD. ____ Call KE, KF, KG, KI, KJ. ____ Call KK, KM
